Curriculum vitae

Steve Canham

_____

Steve Canham was the head of the IT team at the Clinical Trials Unit at the Institute of Cancer Research in London from 2002 – 2011, and then became a freelance consultant in IT and Data Management in clinical research, and in academic clinical trials units in particular. Since 2018 his input has been exclusively centred on various projects within ECRIN, the European Clinical Research Infrastructure Network.

He was involved in the initial creation of the ECRIN Data Centre Standards from 2010 – 2012, ran the Data Centre Certification programme from 2012 – 2017, and was the lead auditor on about fifteen audits, up to 2019. He was also the chair of the various standards revision processes, the last in 2018. He now works on a variety of Horizon Europe projects concerned with data and metadata (e.g. EOSC-Life, Vaccelerate, ECRAID, Healthy Cloud).
